Budget Message

Mr. Mayor and Council,

It is my honor to present to you the proposed budget for the Fiscal Year 2021-2022 (FY22). This book provides a comprehensive documentation of the proposed budget to provide transparency to the public and a tool for the City Council to be informed on the City's finances.

The proposed budget shows the City's aggressive approach to investing in the quality of life for the community. Improvements will reach all divisions of the City and include Parks and Recreation, Police, Volunteer Fire, Public Works, Cemetery, Airport, City Hall, Tourism, and Economic Development.

Revenues

- Sales Tax: FY22 is projected to be the highest year for sales tax revenue in the City's history. To
 be conservative though this budget bases the projected revenue on the historical 5-year
 average. Sales tax collections are particularly volatile for our community based on lake
 conditions and tourism.
- Utility Rates: FY22 year will be the fourth year of rate increases for the base water bill in accordance with Resolution 18-09-04 approved September 10, 2018. The projected revenue from the combined rate increases for FY22 is \$638,316. Of that approximately \$196,145 will be used for debt service on the 2018/2019 OWRB-DWSRF water loans.

Expenditures

- Personnel
 - One-time non-recurring employee stipends of \$500 for full-time and \$250 for parttime employees for the first week in December.
 - Health insurance premium rate increase of approximately 3.5% (actual impact of +\$3,000 due to line item correction in the Police Department budget).
- Operations and Maintenance
 - o Increase for the Street Department budget in the General Fund by \$30,000 to allow for additional maintenance to be performed throughout the year.
 - Renewed corporate sponsorship with the Eufaula Chamber Foundation in the amount of \$10,000 from the Economic Development Fund. The Chamber Foundation provides grants to local businesses, and they will be adding a new grant category this year for business growth.

Capital Outlay

- Purchase of an additional vehicle for the Fire Department, to allow the current "Chief's Truck" to be used for rescue service, from the General Fund \$30,000.
- Purchase of a new air cascade system for the Fire Department from the General Fund \$25,000.
- Purchase of one new vehicle for the Police Department from the Police Account
 Fund \$40,000 to replace a 2011 Crown Vic patrol unit that has over 200,000 miles.
- Purchase of two new vehicles for the Public Works Department from the PWA Fund \$52,000 to replace a 2008 truck that has over 225,000 miles and a 2008 car that has over 160,000 miles.
- The development of a Comprehensive Plan from the Capital Improvement Fund \$150,000.
- Renovation of City Hall and the Event Center, with \$1.2 million coming from a 2020 bank loan, and \$300,000 budgeted from the General Fund.
- Replacement of the City's software infrastructure that handles utility billing, payroll, accounts payable, budgetary, cemetery records, and more, from Disaster Emergency Fund, approximately \$150,000.
- o Purchase of asphalt drag box and used asphalt roller from PWA Fund \$33,000.
- Purchase of a runway/street sweeper for the airport from Airport Fund \$9,000.
- Ongoing construction of water improvement projects funded from the Oklahoma Water Resource Board – Drinking Water State Revolving Fund (OWRB-DWSRF) loan, the Bureau of Reclamation grant, and the Indian Health Services Grant, from the EPWA-CWSRF Fund \$4.9 million budgeted.

Debt Service

- 2012 Clean Water State Revolving Fund (CWSRF) loan payments from the PWA Fund \$183,965.
- 2015 Clean Water State Revolving Fund (CWSRF) loan payments from the CWSRF Fund \$33,516.

- 2018 Bank of Eufaula loan payments for purchase of Bobcat Excavator from the PWA Fund \$12,365.
- 2018 Drinking Water State Revolving Fund (DWSRF) loan payments from the PWA Fund \$34,902.
- 2019 Drinking Water State Revolving Fund (DWSRF) loan payments from the PWA Fund \$161,242.
- 2020 City Hall Renovation loan payments from PWA Fund (Use Tax transfer) \$139,396.

Total Debt Service of \$1,062,434 for FY22.

Important Items not in this Budget

The construction of a splash pad, playground, and restrooms. The City was selected for a 50% matching grant in March 2021 by the Oklahoma Tourism and Recreation Department. The project is undergoing environmental reviews and approvals. Once completed a budget amendment will be needed in FY22 to incorporate the project.

The proposed budget presented to you is a balanced budget in accordance with the Oklahoma Municipal Budget Act, Title 11 of the Oklahoma Statutes.

Respectfully submitted,

Jacob R. Foos City Manager

Any other level of amendment requires formal approval by the City or Authority governing body in a public meeting pursuant to the Oklahoma Open Meetings Act.

Eufaula, Oklahoma Map and History

The City of Eufaula is located in southeast Oklahoma and is the county seat of McIntosh County. Eufaula's estimated population as of July 1, 2017 by the U.S. Census Bureau was 2,888.

History of Eufaula (excerpt from the Oklahoma Historical Society)

The county seat of McIntosh County, Eufaula is located in the county's southeastern region at the intersection of U.S. Highway 69 and State Highway 9. The town lies thirty miles north of McAlester and thirty-two miles south of Muskogee. The March 24, 1832, Treaty of Cusseta provided land allotment and some federal compensation for the Muscogee (Creek) Nation emigration from Alabama to Indian Territory. The boundaries included the land between the confluence of the North and South Canadian rivers. In 1848 the Methodist Church established the Asbury Manual Training School. After it burned in 1889, students attended the Creek Nation's Eufaula Boarding School for Girls.

In 1872 Eufaula emerged as a town when the Missouri, Kansas and Texas Railway established a railhead at the site, near North Fork Town. George W. Ingall, Indian agent for the Five Tribes, suggested the name Eufaula, after a Muscogee tribal town in Alabama. Spring floods washed out the bridge that a railroad company was building over the South Canadian River. The rebuilding delay brought people and materials to the developing town. The federal census of 1890 recorded a population of 500 in the community. By 1898 Eufaula had incorporated and had grown to approximately eight hundred residents.

Eufaula's Indian Journal is the oldest continuously published newspaper in Oklahoma. On June 1, 1876, M. P. Roberts printed the first issue of the newspaper in Muskogee, with William P. Ross as editor. Alexander Posey, poet, journalist, and political humorist (Fus Fixico persona), became owner-editor in 1902. By 1911 Eufaula boasted three banks, two newspapers, electricity, waterworks, and telephone services, as well as numerous professionals and businesses. The 1910 population stood at 1,301 and reached 2,073 by 1930.

Nearby, the Creeks successfully grew cotton and corn in the rich soil of the river bottoms. Dairy and cattle operations expanded as well. The number of residents climbed to 2,355 in 1940, holding near that number for the next three decades. In 1946 the U.S. Corps of Engineers received congressional funding for the McClellan-Kerr Arkansas River Navigation System. In 1964 the plans for damming and impounding the Canadian drainage basin concluded with the dedication of Lake Eufaula. The resulting lake covered the agricultural land with over one hundred thousand surface-acres of water, making it the largest-capacity lake in Oklahoma. The lake serves the purposes of flood control, water supply, and hydroelectric power. Currently, tourism provides the major economic base for the area.

Fund Descriptions

General Fund Fund #10

The General Fund is the primary operating fund for the City of Eufaula. The fund includes departmental budgets for Administration, Police, Fire, Cemetery, Streets, and City Clerk.

Reference the *Sales Tax Transfer Process* for an explanation of required sales tax transfers between the General Fund and the Eufaula Public Works Authority Fund and how that can affect the respective budgets.

Airport Fund Fund #30

The Airport Fund is primarily funded by transfers from the General Fund. The Eufaula Municipal Airport is an entitlement airport, which allows \$150,000 (90/10 match) each year for the Airport from the Federal Aviation Administration (FAA). Projects must be engineered by a selected consultant and approved by the FAA.

Cemetery Perpetual Care Fund

Fund #32

The City of Eufaula owns and operates two cemeteries, Greenwood Cemetery and Evergreen Cemetery. For each cemetery plot sold, \$#### of the \$400 price is deposited in this fund. The money is restricted by state law to be used exclusively for the ongoing maintenance to the cemeteries. (Note: Regular maintenance costs including personnel and contract mowing is budgeted in the General Fund.)

Disaster Emergency Fund

Fund #34

The Disaster Emergency Fund is aptly named to serve as a reserve fund for disaster emergencies. The full fund balance is budgeted each year so that funds are available in an emergency without requiring a budget amendment. Although budgeted, the funds are only used for emergencies. In 2020 City received \$220,000 in CARES Act funds, which were placed in this fund. That money is unrestricted and could be re-allocated by the City Council for a specific purpose through a budget amendment.

Eufaula Economic Development Authority Fund Fund #37

This fund accounts for the revenue and expenses of the Eufaula Economic Development Authority (EEDA), a separate legal entity from the City of Eufaula. The EEDA Fund is primarily funded by a portion of hotel/motel tax (4% of the total 9%).

Health Department Fund

Fund #39

This fund is a holdover from when the City had more expenses related to the Health Department, Department of Human Services, and Hospital.

Police Account Fund

Fund #41

Police court revenue and impound fees are deposited into this fund. From the revenue the expenses for the municipal judge and state court fees are paid, and a budgeted amount is transferred to the General Fund to offset Police Department operation expenses. The City makes a minimal amount from municipal citations; in FY18 a total of \$58,247 was collected in fines, of which \$23,364 went to state court fees and municipal judge expenses, while in the General Fund \$669,591 was spent for the Police Department.

Police Drug Fund

Fund #42

When a drug case that the police department worked results in seizure/forfeiture of property as set by state law parameters, the property can be deemed surplus and sold. The revenues of those sales are deposited in the Police Drug Fund and can be used for certain police department expenses.

Recreation Account Fund

Fund #43

The Recreation Account Fund is funded by a portion of the hotel/motel tax (5% of the total 9%). This fund provides for 4th of July Fireworks Show expense, and both operational and capital improvement expenses for recreational items e.g. playground equipment, boat dock upkeep, etc.

Arvest Acct/ Southpoint Project Fund

Fund #46

These funds are associated with the project at Southpoint to improve parking and recreational facilities.

Capital Improvements Fund

Fund #50

The Capital Improvements Fund is funded through the Capital Improvement Plan (CIP) Fee charged to each utility customer. The current monthly account charge is \$7.15. Of that, \$1.65 goes to pay the debt on the water meters installed in 2015-2017. The remaining \$5.50 is unrestricted for capital projects to be budgeted each year.

Eufaula Public Works Authority Fund

Fund #90

The Public Works Authority is currently funded from two sources: sales tax and utility charges. Reference the *Sales Tax Transfer Process* for an explanation of required sales tax transfers between the General Fund and the Eufaula Public Works Authority Fund and how that can affect the respective budgets.

In September 2018 the City Council implemented a seven-year rate increase plan for utility rates. This action provided several benefits to the City including the start to long-term financial stability and the increase in fiscal capacity for debt service. The Eufaula Public Works Authority was approved in

December 2018 for \$7.185 million of financing by the Oklahoma Water Resource Board – Drinking Water State Revolving Fund (OWRB-DWSRF). The loan money is accounted for in the Eufaula Public Works/CWSRF Fund #97.

Meter Fund Fund #92

The Meter Fund is used to segregate utility customer deposits from all other funds. When a customer starts service with the Eufaula Public Works Authority, their deposit is put into this fund. That money cannot be used for any other purpose except for disbursement back to the customer when the account is closed, or application of the customer's deposit to any unpaid balance on the account.

Eufaula Public Works/CWSRF Fund

The Eufaula Public Works/CWSRF Fund has two functions:

AMR Debt Payments: The monthly account charge of \$1.65 is transferred to this account, and then used to pay the OWRB loan.

Fund #97

DWSRF-OWRB Loan: In 2018 the Eufaula Public Works Authority obtained authority for \$7.185 million in loans from the Oklahoma Water Resource Board. The loan has a draw-down feature to limit interest payments before the funds are needed. Project invoices are evaluated by the City's Engineer, approved by the EPWA, and then submitted to the OWRB for approval. Once approved, the OWRB transfers funds to the appropriate account and the EPWA then issues payment on the invoice.

Position Control Summary

No change in position count is proposed for FY22.

Total	31	31	28	30	30				

^a The Student Resource Officer position was created in addition to existing Officer positions.

^b This is contingent on the Dispatch division being consolidated with another dispatch agency which would eliminate four full-time positions.

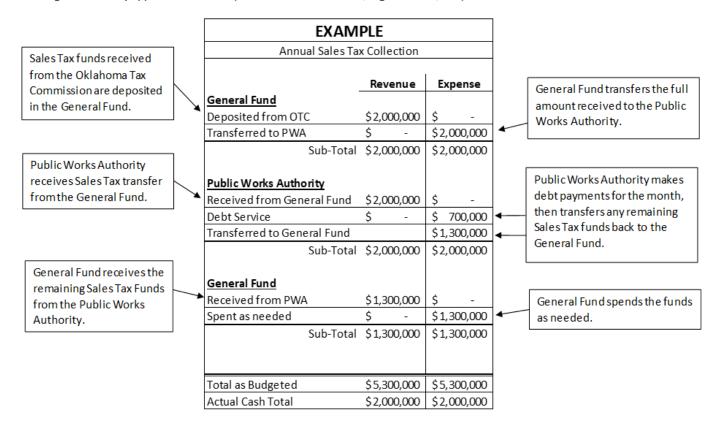

^c One position proposed to be as Tourism and Economic Development Director.

^d Custodian position was eliminated.

^e One position proposed to be added to the Maintenance Division of Public Works to allow for adequate coverage of services.

^f One position proposed to be added to the Maintenance Division of Public Works to allow for adequate coverage of services in parks and general maintenance.

This process is followed to comply with Sales Tax Agreements entered by the City of Eufaula and the Eufaula Public Works Authority as a condition of existing loans with the Oklahoma Water Resource Board and JPMorgan Chase. The agreement only applies to Sales Tax (does not include Use Tax, Cigarette Tax, etc.).

Note: At the end of the Fiscal Year, if more Sales Tax was received than budgeted, a final transfer is made from the Public Works Authority to the General Fund.
