Explain how the proposed change in use will affect the road system(s) serving your area: It has not had any affect in the road system, there has been absolutely no conflict.

Give an estimated traffic count (average daily trips) for the proposed use. How will the potential traffic resulting from the increased use or activity be controlled? there are 6 parents (7 children) who drive out daily and it has not been ~~an~~ negative in traffic in any way.

Is the proposed use comparable to surrounding permitted uses and the existing development pattern? yes, ~~it~~ it has been very positive and I have been able to help over 10 families so far.

How will the proposed use be detrimental to property in the same zone or vicinity? (Identify any adverse effects and explain measures you would propose to minimize these effects) Explain: There have been no negative effects, my home daycare has had a very positive effect in this town.

To Whom It May Concern,

I have known Desirae Evans since the spring of 2020, she worked for me during the summer at my counseling agency, Leap of Faith Counseling PLLC. Desirae always showed exemplary communication, commitment to hard work and maturity beyond her years. Following the summer of 2020, Desirae was offered a part time position in the fall, and she completed that role exceptionally while carrying a full-time college course load.

I have witnessed her obtain independent housing, hold multiple positions of employment while successfully completing her college courses. She has served many positions for me as an office assistant and nanny.

When Desirae informed me she was opening her own in-home daycare I had no doubt she would continue to be successful as a businesswoman. My daughter has been under Desirae's care since she was 3 months old and was part of her first class of children to begin attending RAE OF SUNSHINE CHILDCARE. I have witnessed my child thrive in the social setting, she is given the opportunity to learn valuable social and life skills in a safe and loving environment.

Our rural community needs more young people who are willing to work and recognize the needs of the community and work to fulfill those needs. Desirae has done that with her business RAE OF SUNSHINE CHILDCARE and I hope the City of Eufaula will recognize and support her efforts.

If further information is requested of me please do not hesitate to contact me at (918) 617-1687.

Thank you,

To Whom It May Concern:

My name is Kohley Ogle, I have two boys, Price (4) and Stratton (1), and I am a part time RN for a local hospice company. I am writing this letter to voice my support for Rae of Sunshine Daycare. Desirae had been babysitting my boys in my home several days a week since my youngest was born and if you had asked me at that time, I never would've even considered daycare as a possibility for my children.

Desirae's character and integrity is impossible to miss. She is so loving and caring towards all the kids in her care and I have never once worried when leaving them with her. She is capable and kind, but she is also driven and firm, which is the perfect combination for someone in her position. I have seen her handle scrapes and bee stings calmly and with love, while still being alert and attentive to the other children.

Desirae is a woman who will stand for what she believes in and teaches our kids by example every day. Daycare was a dirty word to me for 29 years and now I see that because of Desirae's love and integrity that it can be such a safe and positive experience for children. Mine have learned so much including numbers, writing, manners, and kindness of their own, just to name a few. To take the opportunity to be in this program from any child and parent in our community would be such a shame.

If I can answer any other questions or provide any more information, please do not hesitate to call me,

To whom it may concern:

My name is KaLee Beezley. My daughter is Charlotte Haislip. She is (5) years old. I am a single mom and I work full time. Charlotte has been with Desirae at Rae of Sunshine Daycare since she opened. I am writing this letter in support of Rae of Sunshine Daycare. Finding a good daycare with someone who loves your child in Eufaula is hard to find.

My child was at a daycare before and was abused by one of the workers on multiple occasions. This happened at a traditional style daycare that is still open. So, I decided to try an in-home daycare with someone who loves children and is not doing this just for a job. If you have ever met Desirae Evans you would know that she would do anything to protect our children.

Desirae Evans is one of the most responsible and trust worthy people I have ever met. She loves our children and it shows with how active she is with them. My daughter learns so much when she is with Desirae and I could not see my daughter being with anyone else. Desirae has pride in what she does and it shows with how our children act and how well she takes care of them. She always has a smile on her face and is always so excited to see our kids. She keeps her home spotless, safe, and very clean. I have no reason to think my child would not be safe with her. She shows them love and disciplines them when needed. She is teaching them right from wrong. She teaches them something new every day and my child loves to tell me about the lessons she has learned. Even so that my child wants to bring some of the rules to our house. My child has started using "yes mam and no mam". My child looks forward to going back to daycare now and that was a hard road to get to. Before she had anxiety about going to daycares. This is all because of Desirae. Desirae is more than fit to have an in-home style daycare. Honestly, I do not know what we would do without her. She treats all her children at the daycare as one of her own and I believe that is exactly what any parent would want. My child is learning to be a better person because of the morals and values Desirae has.

Please if you need anything else, you may contact me at 918-618-2572.

Thank you,

KaLee Beezley

Frontage Road (Name and Description): ~~Foley Street~~ S. Front Street

Identify structures and improvements on property: 5000 sq ft building wood & metal siding, metal roof

City Water: YES ☒ NO ☐

Explain the surrounding land uses: Two vacant lots on each north

to the west are back door entrances to main street
businesses.

C. Zoning Variance / Special Exception Request

Is there extraordinary or exceptional conditions or circumstances which are peculiar to the land, structure or building involved, the literal enforcement of the terms of the Code would result in unnecessary hardship? Without the use of our drive-thru

we will not be able to provide convenient service to our
customers, resulting in a loss of business or our
customers accessing another drive-thru service
elsewhere.

Does the extraordinary or exceptional conditions or circumstances apply to other property in

the same use district? Explain: There are no other
businesses in our area that have the
same setup, such as a drive-thru purpose

If the variance is granted will it cause substantial detriment to the public good or impair the purposes, spirit, and intent of the Code, or the Comprehensive Plan? Explain: No, our

(Cite such advantages as topography, foliage, soil, drainage, access, distance to centers of population, availability of utilities, etc.) Explain: We are located one block

off of mainstreet so it wouldn't cause any traffic
build up there. But it would be perfect for the
traffic that don't want to travel south downtown to
avoid busy times of the day.

Explain how the variance/special exception request will affect the road system(s) serving your area: Cars will be parked off the ~~side~~ main road

on our property, eliminating any traffic jams

Give an estimated traffic count (average daily trips) for the variance/special exception request.

How will the potential traffic resulting from the increased use or activity be controlled? _____

Rush hours will be from 7:00-8:00 and 11:00-1:00

We will serve fast foods so quick and easy access
will be provided. Estimated 25-30 people during those
Rush hours &

Is the variance/special exception requested comparable to surrounding permitted uses and the existing development pattern? Yes

How will the variance/special exception request be detrimental to property in the same zone or vicinity? (Identify any adverse effects and explain measures you would propose to minimize these effects) Explain: I don't believe our drive-thru will

cause any problems for others, however it will cause
our business to be limited in the amount of people
we can serve. Due to the lack of convenience

a) A complete and current surface-rights-only Abstract of Title, certified to by an Oklahoma-licensed and bonded abstract company; and

b) A current Uniform Commercial Code Search Certificate.

- 2) LAND OR BOUNDARY SURVEY. Seller agrees that Buyer, at **(check one)** ☒ **Buyer's** ☐ **Seller's** expense, may have a licensed surveyor enter upon the Property to perform a Land or Boundary (Pin Stake) Survey that shall then be considered as part of the Title Evidence.
- 3) BUYER TO EXAMINE TITLE EVIDENCE.
- Buyer shall have ten (10) days after receipt to examine the Title Evidence and to deliver Buyer's objections to Title to Seller or Seller's Broker, if applicable. In the event the Title Evidence is not made available to Buyer within ten (10) days prior to Closing Date, said Closing Date shall be extended to allow Buyer the ten (10) days from receipt to examine the Title Evidence.
 - Buyer agrees to accept Title subject to: (i) utility easements serving the Property, (ii) building and use restrictions of record, (iii) set back and building lines, (iv) zoning regulations, and (v) reserved and severed mineral rights, which shall not be considered objections for requirements of Title.
- 4) SELLER TO CORRECT ISSUES WITH TITLE (IF APPLICABLE); POSSIBLE CLOSING DELAY. Upon receipt by Seller, or in care of Seller's Broker, if applicable, of any Title requirements reflected in an Attorney's Title Opinion or Title Insurance Commitment, based upon the standard of marketable title set out in the Title Examination Standards of the Oklahoma Bar Association, the Parties agree to the following:
- At Seller's option and expense, cure Title requirements identified by Buyer; and
 - Delay Closing Date for 06302023 days [thirty (30) days if left blank], or a longer period as may be agreed upon in writing, to allow Seller to cure Buyer's Title requirements. In the event Seller cures Buyer's objection prior to the delayed Closing Date, Buyer and Seller agree to close within five (5) days of notice of such cure. In the event that Title requirements are not cured within the time specified in this Paragraph, the Buyer may cancel the Contract and receive a refund of the earnest money.

B. TITLE INSURANCE COMMITMENT AND SURVEY

- 1) Seller, at ☒ **Buyer's** ☐ **Seller's** expense **(check one)**, (including the cost of pre-closing abstracting and Title examiner's report) within _____ days after _____ shall furnish Buyer a Commitment for title insurance from a title insurance company acceptable to Buyer (the "Title Commitment"). The Title Commitment covering the Property shall be addressed to the Buyer and bind the title company to issue to Buyer, at closing, an American Land Title Association (ALTA) standard form Owner's Policy of Title Insurance (the "Title Policy"), in the amount of the purchase price. The Title Commitment shall set forth the status of the Title to the Property, showing and having attached copies of all liens, claims, encumbrances, easements, rights-of-way, encroachments, reservations, restrictions and any other matters affecting the Property.
- 2) Seller, at ☒ **Buyer's** ☐ **Seller's** expense **(check one)**, within _____ days after _____ shall furnish Buyer five (5) copies of a survey of the Property, prepared by a licensed surveyor, dated or updated no more than six (6) months prior to the **Time Reference Date** (the "Survey"). The Survey shall show:
- The boundary lines, dimensions and area of the land indicated thereon,
 - The location of all fences, buildings, driveways, monuments, and other improvements located within the boundary lines,
 - The location of all setback lines,
 - The location of all easements, alleys, streets, roads, rights-of-way, and other matters of record affecting such land, together with the instrument, book and page number indicated,
 - If the Property is un-platted, a metes and bounds description of the Property,
 - The scale, the North direction, the beginning point, distance to the nearest intersecting street, and point of reference from which the Property is measured, and
 - If the Property is located in (i) a floodway, (ii) a 100-year flood plain, (iii) a "flood prone area," as defined by the United States Department of Housing and Urban Development (HUD), pursuant to the U.S. Flood Disaster Protection Act of 1973, as amended, or (iv) an area classified by the Federal Emergency Management Agency (FEMA) as having special flood hazards, reflected by Flood Insurance Rate Map covering the area in which the Property is situated; and shall identify the portion of the Property located in such floodway, 100-year flood plain, flood prone area, or flood hazard area. Such Survey shall be in a form sufficient to permit the Title Company issuing the Title Policy to remove printed survey exception from the policy.
- 3) The legal description of the Property contained in the Survey, if different from the description contained in this Contract, once approved by Buyer and Seller, shall be substituted for the description of the Property and the Contract shall be deemed amended by the substitution of the legal description of the Property contained in the Survey without the necessity of the Parties executing any further amendment to the Contract.

4) Buyer shall have ten (10) days from the receipt of both the Commitment for Title Insurance and the Survey referred to above to examine the same and specify to Seller, in care of Seller's Broker, if applicable, in writing, those matters which Buyer finds objectionable. No matter in the Title Commitment shall be construed as a valid objection to title under this Contract unless it is so construed under the Title Examination Standards of the Oklahoma Bar Association, where applicable. In case of valid objections to the title in the Title Commitment, Seller shall have thirty (30) days, or such additional time as may be agreed to, in writing, by Seller and Buyer, to make reasonable efforts to cure or remove such objections. If Buyer, or Buyer's Broker, if applicable, does not deliver to Seller, in care of Seller's Broker, if applicable, a written notice specifying those items to which Buyer objects within ten (10) days after the receipt by Buyer of the information referred to above, then all of the items reflected in the Title Commitment and Survey shall be considered to be acceptable to Buyer. If such valid objections cannot be satisfied within the time stipulated in this Paragraph, the earnest money shall be refunded to the Buyer, Buyer shall return the abstract to Seller, and this Contract shall be of no further force and effect.

5) On the date of closing of this transaction, as provided in the Contract, Seller shall furnish to Buyer a copy of the Title Commitment, fully marked and initialed by the title company issuing the Owner's Title Policy, which marked Title Commitment, shall reflect the exceptions and provisions to be contained in the Owner's Title policy upon issuance thereof. The Title Commitment shall commit to issue to Buyer an owner's policy of title insurance, covering all of the Property, in the sum of the purchase price, and written on an American Land Title Association (ALTA) Owner's Policy form or its equivalent, and, except for the objections Buyer has agreed to waive showing only the standard printed exceptions and exclusions contained in the said ALTA form of Owner's Title Policy. The premium charged by the Title Company and post closing abstracting expense of providing such Title Policy shall be borne by:

(check one) ☒ Buyer ☐ Seller

6) The Title Commitment shall permit deletion of the Survey exceptions, at Buyer's sole cost and expense. Additional extended coverage, including waiver of the standard exceptions and an ALTA standard zoning endorsement, which reflects the zoning classification of the Property, shall also be provided by Seller, at Buyer's request, and costs for such extended coverage in excess of the base policy premium shall be reimbursed to Seller by Buyer at closing.

7) Seller shall make reasonable efforts, at Seller's sole cost and expense, to cure or remove objections identified in the Survey. If Seller fails to cause all of the objections to be removed or cured prior to the closing date, or if Seller, or Seller's Broker, if applicable, notifies Buyer, in care of Buyer's Broker, if applicable, of Seller's decision not to cure or remove some, or all, of the objections, Buyer's sole remedy shall be to:

- a) Terminate this Contract by giving Seller, in care of Seller's Broker, if applicable, written notice thereof, which notice must be given within five (5) days after Seller, or Seller's Broker, if applicable, notifies Buyer, in care of Buyer's Broker, if applicable, of Seller's decision not to cure or remove the objections; in which event, the earnest money, together with all interest earned thereon, shall be returned to the Buyer, and neither Party shall have any further rights, duties, or obligations hereunder; or
- b) Elect to purchase the Property subject to the Buyer's objections not so removed or cured; in which event, the objections not removed or cured shall be deemed acceptable to Buyer.

8) Notwithstanding anything to the contrary contained in this Contract, in the event the transaction contemplated by this Contract does not close for any reason except Seller's failure to cure or remove a title objection described in the Survey or wrongful refusal to close, **Buyer shall be responsible for the payment of the cost of the Survey.** Upon closing, any existing Abstract(s) of Title, owned by Seller, shall become the property of Buyer.

10. TAXES, ASSESSMENTS AND PRORATIONS.

- A. General ad valorem taxes for the current calendar year shall be prorated through the date of closing, if certified. However, if the amount of such taxes has not been fixed, the proration shall be based upon the rate of levy for the previous calendar year and the most current assessed value available at the time of Closing.
- B. The following items shall be paid by Seller at Closing: (i) Documentary Stamps; (ii) all utility bills, actual or estimated; (iii) all taxes other than general ad valorem taxes which are or may become a lien against the Property; and (iv) any labor, materials, or other expenses related to the Property, incurred prior to Closing which is or may become a lien against the Property.
